Meeting called to order at 930 am

The main topic of today's meeting was to go over the classifications for the coed tournament.

The classifications are as follows:

### **UPPER**

D'Lunitics

AK Seaplanes

Viking

Eagles

Valley Liquor

### **MIDDLE**

Off the cuff

Scotts

Trash Talkers

SRI

Bad News Bears

Big Red

### **LOWER**

Malia's Misfits

PND Wolves

Team 143

ASEA Locos

It was proposed by Dave and seconded by Beau that we give the 4 teams in the upper division a 5 run spot when they play D'lunitics. It was also proposed that the rosters are final what we have and that teams can pick up 2 players in their own division or lower up till the first game. If a team is wanting to

add players in a division above them they will need to have approval from the board. The motion was passed. We will have Michele get this to Mark to do the schedules.

### **Rainball Tournament**

Dave added a link on Facebook for a Rainball page where we can show photos of prior tournaments and have information about Jaime Parsons. He gave the sponsorship check for Rainball from Island Pub to Michele today. Dave and Sandy Williams are starting to work on First National Bank for next year sponsorship. We need to get the booklets made soon. Katie will be sending out an email to all the managers to ask their sponsors if they want to do an ad in the booklet. A full page ad will be \$100, ½ page ad will be \$50 and a ¼ ad will be \$25.

We will doing an opening ceremony on Friday July 15th at 8:30-9:00 on DP 1 field. Jaime Parsons memorial will be on Sat July 16th so we need to make sure that the Mens C & Mens F teams are not playing during that time so that they can attend. The tourney will still be played but those divisions will have a break.

Rainball registration will open June 18th and be closed at noon on Sunday June 26th. The board will meet at 6 pm Sunday June 26th to do the classifications. We need to get them to Mark by Monday June 27th and will need the schedules back by Tuesday July 5th to review.

Meeting adjourned at 11:20 am
