Not Ready for Use: The field has had limited to no maintenance and is too wet/uneven/unsafe for any use.

Useable/no bases: Field has had some maintenance and is dry enough to be on for limited use. Field may not have been raked completely smooth.

Practice ready: Field has been raked and dragged flat and bases are in the chalk shed. Fence should be up by this point. Mound/pitching area is being worked on.

Game ready: All major field prep is done, fences are up and chalk lines are set.
