Game time is play time. NO GRACE PERIOD. You must have 8 players on the field to begin a game, and finish the game with no less than 8 players. In the event of a compression out, the JSA rule is used. (1 compression out at the dropped player's first appearance in the lineup, no further compression out assessed.) Teams falling below the minimum 8 players will be assessed a forfeit. Any team forfeiting two games will be dropped from the tournament. Exhibition games are games in the tournament. No additional players may be added to a roster after the beginning of the RR portion of the tournament. The tournament committee or their appointees make the final decision regarding eligibility of player or team participation.

TIME LIMITS: Round Robin = 60 minutes. Double elimination = 70 minutes. No time limit for Championship Game(s). Pitch count is (1-1, + extra strike on a 3rd strike foul ball) when the batter comes to the plate will be in effect for the entire tournament. 15-run rule in effect after 5 innings (4 ½ if home team is leading.) 10-run Flip-Flop rule will be in effect in the last inning during bracket play only. USA Softball tiebreaker is in effect for all games. During the time limit games, tiebreaker will be invoked at the top of the inning following time expiration or the 8th inning, whichever comes first (Top of the 8th for games with no time limit.) Home team will be determined by the flip of a coin prior to each game, except Championship Game where the undefeated team has the choice of Home or Visitor. A flip of the coin will determine Home team or Visitor in the event of an IF game. No Infield Practice is allowed prior to any game.
