Tournament Rules

Tournament rosters are due by June 12th, 2022 @ 12:00 pm. Your team's regular season roster will be your default roster for the tournament. You may add players to your roster. After your team has been classified by JSA, you may add up to two (2) players to your tournament roster until 15 minutes prior to your first game, subject to the following conditions:

1. The pick-up player may not be from a higher division than the division in which the team is playing in the tournament. i.e., Division F may not pick up a Division C or D Player.
2. If local, the pick-up player must be a JSA member within the League they are playing in (men's, women's or coed) or submit a crossover player agreement form and pay a \$25 fee."
3. Players may not be on more than one team in the same league (men's, women's or coed) playing in the tournament

No additional players may be added to a roster after the beginning of the RR portion of the tournament. The tournament committee or their appointees make the final decision regarding eligibility of player or team participation.

Home Run Limit: Two over the fence home runs per game. PROGRESSIVE THEREAFTER. Homeruns over the limit will be declared outs. No ejection for homeruns over the limit.

USA Softball rules as modified by JSA will apply. See the current JSA Handbook on the JSA website. (The local sub rule is not in effect for the tournament). All players must have a current JSA Waiver and for 2022 this includes the health mandate in accordance with CBJ.

Flagrant unsportsmanlike conduct will result in a player and/or manager being disqualified from further participation in the tournament. Ejection from a game (except for illegal substitution) results in a minimum 1-game suspension. Ejection from local season play carries over into tournament play or vice versa. **In the event of an ejection, the offending team must have a legal substitute to replace the ejected player or the game is declared a forfeit.**

****Any team forfeiting two games (Round Robin or Double Elimination) will be dropped from the tournament. ****

Game time is play time. NO GRACE PERIOD. You must have 8 players to begin a game. You must finish a game with no less than 8 players. In the event of a compression out, the JSA rule is used. (1 compression out at the dropped player's first appearance in the lineup, no further outs will be assessed due to the compression.) Teams falling below the required minimum 8 players will be assessed a forfeit.

PROTESTS: The tournament committee or their appointees will handle all protests on the spot.

TIME LIMITS: Round Robin: 60 minutes; Double elimination: 70 minutes. No time limit during Championship games.

One ball and one strike pitch count (1-1, + extra strike on a 3rd strike foul ball) when the batter comes to the plate will be in effect for the entire tournament.

15-run rule is in effect after 5 innings. (4 ½ if the home team is leading.) **The Flip-Flop rule will be in effect in the last inning during bracket play only.**

Tie-breaker rule in accordance with USA Softball rules is in effect for all games. During time limit games, a tie-breaker will be invoked at the top of the inning following time expiration or the 8th inning, whichever comes first. (Top of the 8th for games with no time limit).

Home Team is determined by coin flip prior to each game. In the first Championship game the undefeated team has their choice of home or visitor. In IF games the home team is determined by a coin flip.

No Metal Cleats are allowed.

No warming up on the infield prior to any game.

Teams are bracketed to Double Elimination Round as follows:

- A. Best overall win-loss percentage.
- B. Best head to head record versus opponents tied with. (If teams tied did not play each other, then use C).
- C. Highest run differential i.e., overall runs scored less runs allowed in all round robin games.
- D. Flip of a coin.
